

# Adopting

## How much does it cost to adopt from PUGS?

As we are a 100% volunteer run organization, depending on the donations and other funds provided to the rescue to pay for everything to care for our saved pugs, we ask for the following based on the age of the adoptable pug.

Age	Amount
< 3 years	\$400
≥ 3 years and < 7 years	\$350
≥ 7 years and < 11 years	\$300
≥ 11 years	\$250

Checks are payable to Pugs U Gotta Save and can be mailed to our mailing address:
